

BABINE TRUCK

AND EQUIPMENT

Our customers make us great!

For more than 35 years Babine Truck continues to earn our customer's loyalty and trust by delivering unrivaled products & service. As a local family-owned dealership for Volvo and Mack trucks we are able to keep our focus on our customers specific needs and create long term relationships.

Great Trucks

We offer new Volvo and Mack trucks for every application from highway, forestry, mining, petroleum, construction and vocational for all of Northern BC. These two great brands allow us to provide transportation solutions for a wide range of customers.

Great Service

Highly qualified and trained technicians are here and ready to provide you with exceptional service in a timely manner. Our award-winning technicians have been recognized as the best in North America. We have service locations in Prince George, Smithers, Prince Rupert and Fort St John.

Great Parts

We stock a comprehensive inventory of high quality genuine OEM and aftermarket parts. Our highly knowledgeable staff are here to answer your part inquiries.

“ The crew at Babine are one of the best I have worked with and we deal with multiple dealers. ”

Brian Taphorn, Lakes District Maintenance (LDM)

Great People

Since 1986, when BABINE TRUCK was established our name has conveyed integrity, reliability and dependability. Over the years our company has grown as a result of a genuine commitment to earning customer loyalty.
